To estimate how long the Solo/Grade Level Stages will take:

- 1- The 3 stages will run at the same time. Go across the row and find the comp with the most competitors in it.
- 2- All comps are dancing 2 at a time, so divide the number of competitors by 2..... this is how many groups will dance
- 3- Multiply the number of groups by 1.5 minutes
- 4- Add all the minutes up.....
- 5- Allow time for lining kids up and competitions that have 2 speed choices, and a Judges' lunch break somewhere in the middle of the day (at the Judges discretion)
- 6- Keep in mind there may be no-shows and things may run fast
